Dear Parents/Carers,

For our Christmas Performance this year, we – just like all other schools – have had to look at alternative options for how we present it. Last year's show was a great success and we want to continue that energy into this festive season!

Without giving anything away in terms of the show's content, we have decided to film each individual class' performance within their classrooms. We will edit and stick it all together and then provide you with a secure link of the video to Dropbox. If you have not used Dropbox before, more information about how it works can be found at [dropbox.com](https://www.dropbox.com). We used this platform to share the Year 6 Leavers assembly at the end of the summer term and found it to be a great way to share content privately.

The main reason for providing a secure link rather than post it onto our social media pages is that we have children in school who do not have permission to be on them. This is the best way to enable all children to take part in their class performances.

It is imperative for the video to **not be shared** on any form of social media, including WhatsApp. By signing the reply slip, you are agreeing to not share it with the public. If you would not like your child to be in their class video, please inform your child's teacher.

You will only get a link to the video if you provide your email address on the reply slip at the end of this letter.

Of course, if you have any questions or concerns about the way we are presenting our performance this year, please do not hesitate to contact us using our email addresses below.

Yours sincerely,

Nicola Smith and Ed Potterton
