Drivers of vehicles accessing Shepherds Down School

Please be aware that the last part of the road leading to Shepherds Down School is privately owned land and we only have right of way access across it.

Ideally buses and cars should not be stationary on the lane but if this is absolutely necessary please ensure that you are parked as far over to the left as possible so as not to block the access of our neighbours. At no point should any vehicle be stationary on the hatched area at the very end of the lane.

Those parents who are arriving to pick up children at the end of the day please do not park in the bus spaces whilst buses are still waiting to park as these spaces do need to be prioritised for buses. If you happen to be ahead of a bus in the queue please ensure that you park away from the bus bays once you are on site.

Your co-operation in this matter is very much appreciated.

With Best Wishes

Debby Gooderham
