

FOSDA Newsletter

Summer 2 2026

Welcome back to the final term of this academic year and our 2nd Friends of Shepherds Down Association (FOSDA) newsletter.

What do FOSDA do?

FOSDA supports the school by raising funds for educational and leisure resources which enhance the learning for our children. FOSDA is a small group of parent volunteers (more are very welcome and needed) who work to raise funds on behalf of the school. FOSDA meets once a half term in school.

What's New...

- The new Bikes, Scooters and Didi cars have arrived. They have been very popular and well used already!!

- Key Stage 1 Music garden has been installed and been a hit with the children so far!

FOSDA's next big funding projects:

- Purchase and Installation of outdoor musical instruments in Key stage 2 play ground during the summer holiday.
- Updating our music room, including décor, storage and purchasing of new musical instruments for the whole school.

What events do FOSDA run to raise these funds...

- **Non-Uniform Day 19th June** - all Bottle contributions for the bottle tombola welcome
- **Summer Fayre 4th July 2026**...please get involved!
- Festive light trail – Autumn 2 term

How can I help?

Any time (however big or small) you can give to a meeting, supporting an event either on the day or in advance of an event such as setting up would be much appreciated. These events require 'people power', many people make light work...therefore any time, resources or support you can give would be very much appreciated.

Please contact FOSDA direct via email – Shepherdsdownfosda@gmail.com

FOSDA have a Facebook page, please do search and follow.
